Concrete Finisher / Laborer Position

Description

Morrison Custom Concrete, Inc. is hiring experienced Concrete finishers and dedicated Laborers for concrete flatwork, stamped concrete installation, and hardscaping projects across Chester County and the surrounding areas. We offer consistent, reputable work throughout the season.

We are seeking quality finishers and skilled laborers to join our crew and are willing to train dedicated and hardworking team members.

Working with Morrison Custom Concrete, Inc. means consistent seasonal employment with plenty of overtime opportunities. We currently have openings for concrete finishers and dedicated laborers.

Why Join Morrison Custom Concrete, Inc.?

As a local, family-focused company with over 26 years in the concrete industry, we are recognized for our reliability, high-quality work, and commitment to client satisfaction. We value and invest in our crew and offer a great environment with flexible scheduling options.

Skill and Training Opportunities

Morrison Custom Concrete, Inc. believes in investing in our team. We're willing to train the right hardworking individuals, providing real-world skills in concrete finishing, custom stamping, and even masonry techniques to help build a lasting career.

Competitive Pay, Consistent Work, and Flexible Schedules

Morrison Custom Concrete, Inc. recognizes the expertise and dedication required for professional concrete finishing and stamping. Our team members receive competitive pay that reflects their skills and experience, along with flexible scheduling opportunities and consistent work.

Collaborative Team and Reputation for Quality

Join a highly collaborative and efficient crew, focused on achieving high-quality results without unnecessary stress. We prioritize safety, quality, and dependability across all our projects.
